Dear Breakin' Clay For The Cure,

On behalf of the Tunnel to Towers Foundation, thank you for your recent gift of \$42,030.00 made on 1/10/2026 from your Sporting Clay fundraiser. Your generosity, and the spirit of giving behind it, mean more than we can express. We are truly honored to have your support.

The Tunnel to Towers Foundation is committed to honoring and uplifting our nation's heroes through meaningful, lasting support. Our programs serve catastrophically injured service members and first responders, the families of fallen first responders, Gold Star families, and homeless veterans. We have made it our mission to deliver stability, independence, and a renewed hope to those who have sacrificed so much for our country.

As we enter 2026—a year that marks 25 years since 9/11 and the founding of Tunnel to Towers—we do so with deep gratitude for all that we have accomplished together. While we are proud of the meaningful progress made, our work continues. The year ahead will be a defining one for our mission as we deepen our impact and remain steadfast in our promise to never forget.

Once again, thank you. I would welcome the opportunity to learn more about you and what inspired your gift. I also look forward to sharing exciting updates about what's ahead as we prepare for our 25th Anniversary in 2026. Feel free to give me a call at 347-506-1669 or email me at matthew.milazzo@t2t.org to schedule a time to chat.

With gratitude,

Thank You!!
